

Our Greater San Diego Vision

Our “Outreach Partners Pledge”

The San Diego region’s population will grow 40 percent over the next 40 years with the majority being our children and grandchildren. To manage this growth and benefit our future generations, a strategic vision and long-range plan is needed that reflects the shared values and priorities of all residents. [Our Greater San Diego Vision](#) is the process to fill this need. It is based on sound research, an inclusive and geographically comprehensive public engagement process, and has a long-term implementation mechanism through the Center for Civic Engagement.

As such, The Center for Wealth & Legacy™ pledges our support for *Our Greater San Diego Vision* as an official Outreach Partner and will seek to involve our members and stakeholders in this process to ensure its success.
