San Diego’s Most Inspiring Business Leaders Recognized
At Inspiration Awards; October 26, 5:30 -8:30 p.m.

Ceremony to be held at AMN Healthcare Conference Facility

SAN DIEGO (September 22, 2010) – The Center for Wealth & Legacy is a non-profit organization committed to being the leading organization for connecting and developing exceptional business, philanthropic and thought leaders to positively impact, enhance and inspire our communities. The Center will present its Inspiration Awards on Wednesday, October 26 from 5:30 – 8:30 p.m., at the AMN Healthcare Services, Inc Conference Facility.

The event will honor a selection of San Diego’s most inspiring business leaders, who have focused on creating a legacy by giving back to the community by means of their business and their collective resources of time, touch, treasure and talent. Presentations throughout the evening will showcase San Diego’s leaders and how their efforts in business and community devotion have created an effervescent legacy of giving back ... not only to the local region but also nationally and even internationally.

Business leader R.J. Kelly, Founder and President of Wealth Legacy Group, was the inspiration of the Awards program that has resulted in nominations of business leaders countywide. The Center will bestow four Inspiration Awards from those nominated.

The featured keynote speaker of the evening is nationally recognized restaurant ownership and management guru Paul Saber. Paul will talk in the Center’s ‘Spotlight on Legacy’ portion of the evening about “the lessons learned” in his journey through the ups and downs of the restaurant business life – what has kept him motivated - and what it means to him in creating a lasting legacy.

Doors open at 5:30 p.m. for a charming reception complete with delicious food, cocktails, and conversation. The seminar will begin at 6:30 p.m. with messages about both leadership and legacy issues facing business owners today, followed by presentation of the Inspiration Awards. Armon Mills, Director of Practice Development for J.H. Cohn’s San Diego office and past president of the San Diego Business Journal will host this exciting segment. It is a grand opportunity to recognize those unique business men and women who have looked beyond their desire for personal gain or glory, and instead, make a significant positive impact on the community and the world.

Tickets are \$40 for one guest and \$20 for each additional guest who would like to experience this one of a kind event. To purchase tickets please visit <http://www.wealthlegacyseries.org/>. About the Center for Wealth and Legacy:

The Center for Wealth and Legacy is a non-profit founded by a group of like-minded professionals. We recognize that business families fill a vital role in building and funding the broader community, and our communities depend upon their energy and contribution. And, today's business families are faced with unprecedented challenge. In late 2008, co-founders [Alan Nevin](#), Principal with The London Group, [Bill Exeter](#), President and Chief Executive Officer, Exeter 1031 Exchange Services, LLC and [R. J. Kelly](#), Founder, President and Chief Executive Officer, Wealth Legacy Group, Inc., presented what was intended to be a single seminar. The desire was to present practical, timely and unbiased information to business owners. That single seminar proved so successful that there have been over a dozen seminars in the past two years. Today, the Center for Wealth and Legacy provides an objective, educational forum for exchanging ideas and experiences from "best of class" leaders on the subjects of leadership and legacy. The *Leadership & Legacy Seminar Series and Inspiration Awards*[™] connects, challenges and inspires local, national and international audiences.
